Child Illness Policy:

Any person(s) exhibiting any sign(s) and/or symptom(s) of COVID-19, as set forth in CDC guidance², when they develop over a period of hours to days and cannot be explained by allergies or other noninfectious disease should not attend or gain access to a summer camp program

- EBSF will conduct screening at the time of arrival of staff, children, and any visitors which may include temperature checks. Should a child, staff, and/or visitor be observed at the time of drop off to have any sign(s) and/or symptom(s) of COVID-19, as set forth in CDC guidance⁴, they will not be admitted to the program
- Should a child, staff, and/or visitor be observed at any time of the day to have developed any sign(s) and/or symptom(s) of COVID-19, as set forth in CDC guidance, they will be (1) isolated in the isolation area determined by the instructor and (2) sent home OR (3) to seek medical attention. (1) The isolation room will be an area separated from the rest of the children, staff, and visitors. Any individual over the age of two who is required to isolate and who has no risk of harm per CDC guidelines⁶, should wear a cloth face mask for the duration of their stay. Though in isolation, at no time will a child, staff member, or visitor be left alone/out of site due to the respiratory risk associated with this virus. (2) Parents/caregivers must be available to pick up an ill child promptly upon notice. (3) Should a child, staff, and/or visitor be observed to require medical attention per CDC guidelines, 911 will be called as well as the parent/caregiver/emergency contact. Emergency medical attention will be triggered upon any of the following emergency warning signs:
 - • Trouble breathing
 - • Persistent pain or pressure in the chest
 - • New confusion
 - • Inability to wake or stay awake
 - • Bluish lips or face
- Any employees or children sent home may not return to the summer camp until he or she (or his or her parent) provides competent evidence to the camp demonstrating that:
 - • After being sent home he or she was tested negative for COVID-19; or
 - • After being sent home he or she was tested positive for COVID-19 but he or she has since met RIDOH guidelines for ending isolation; or
 - • They can provide a doctor's note stating he or she is not contagious

FACE MASKS

We are all required to wear facemasks when on Bristol Yacht Club property. Once a sailor is on the water in their own boat they are not required to wear a facemask.

Drop off and Pick up Procedure:

Please drop off your sailor(s) no early then 300pm each day. When arriving at the YC please have your sailor go directly to the picnic benches under the trees. There they will be screened by staff.

Cleaning Protocol

- **Cleaning and decontamination**
- EBSF will clean and disinfect frequently touched surfaces within the camp facility.
 - there will be specific bathroom time for each group. Bathrooms will be cleaned and disinfected before and after groups by staff
- EBSF shared sailboats and will be safely cleaned & disinfected, by a combination of students and staff, after each use.
- EBSF Staff will also clean and disinfect all shared equipment, including life jackets, prior to the start of each new class daily.
- A Cleaning log book will be kept by the Program Director which will note the date and time of cleaning
- **Social Distancing**
 - EBSF will also set up specific and separate designated areas on the lawn for students to rig their boats and store their gear to help promote social distancing. Students must get permission to leave the designated area from Instructor.
 - EBSF will keep students together in small groups with dedicated staff and make sure they remain with the same group throughout the day, every day. Groups must maintain 14ft of social distance
 - Groups will have designated areas to store personal belongings
 - Groups will have designated time using shared spaces to get on and off the water
 - Siblings are encouraged to sail together, if possible.
 - EBSF will forbid mixing between groups
